*We are pleased to invite you to participate on the III IQSC Workshop on Theoretical Chemistry organized by the Quantum Theory of Nanomaterials Group. This workshop will be dedicated to the Applications and Developments of Theoretical Chemistry on molecules, clusters, surfaces and solids. It is intended to be a forum where scientists merge to discuss the relevant aspects of those topics and to foster new collaborations and strategies for common problems.*

**Organizer:** Dr. Polina Tereshchuk

**Deadline for registration and abstract submission: 30 June 2015**
